NOTICE OF INTENT TO INCREASE COLLECTION RATES FOR SOLID WASTE/RECYCLABLE

MATERIALS IN THE WEST BAY SANITARY DISTRICT

The District Board of the West Bay Sanitary District hereby gives public notice of its intent to increase some of the existing residential rates for the collection of recyclable materials, compost, and refuse for 2024 and 2025.

The District Board plans to consider this rate increase at a public hearing on December 13, 2023 at 7:00 p.m. in the Board Conference Room located at 500 Laurel Street, Menlo Park or by Zoom or telephone <https://us06web.zoom.us/j/86725615742?pwd=8VwBabZqwsDIlvBwmQKyBw0bVcP72b.1> Meeting ID: 867 2561 5742 Passcode: 183235

The need for this increase was discussed by the District Board at the October 11, 2023 Regular Board meeting, and is further detailed in the staff report for this matter and the Draft Report by HF&H Consultants (Rate Study), both of which are available at the District Office located at 500 Laurel Street, Menlo Park or online at www.westbaysanitary.org

Approximately fifty-six percent (57%) of residential service containers are a 32 gallon size. The new rate for 2024 for a 32 gallon container would increase from \$56.00 per month to \$61.00 per month, a \$5.00 per month increase. The new rate for the 20 gallon container would increase from \$50.00 per month to \$54.00 per month, a \$4.00 per month increase. 20 gallon containers will be grandfathered to current users but are no longer available to new customers or to customers wishing to migrate down to a 20 gallon container. As further detailed in the Rate Study, the purpose of these increases is to align the Solid Waste Rates with the actual proportionate cost of providing the service to customers in each Customer Service Level. In 2025 All rates will increase by 4.5%

For comparison purposes, the maximum typical residential rates for 32 gallon containers for SBWMA Cities including Burlingame, Belmont, Hillsborough, Menlo Park, Redwood City, San Carlos, and San Mateo, range from a low of \$27.52 (Foster City) to a high of \$64.60 (Hillsborough), based upon 2023 rates.

The following table shows the current rates and the proposed monthly rates for regularly scheduled service for West Bay Sanitary District Franchised Customers to be effective January 1, 2024, and January 1, 2025.

*Commercial bin rates reflect collection charge for one pick up per week; To calculate charge for more than one collection per week, multiply rate by number of collections per week. For example, for 2024 1-Cubic Yard Bin (at proposed rate) collected 3 times per week = \$539.40 (\$179.80 x 3 collections/wk)

NECESSITY FOR THE NEW RATES

The West Bay Sanitary District is a member of the South Bayside Waste Management Authority, and contracts with Recology San Mateo County (RSMC) for collection services as of January 1, 2011 and South Bay Industries (SBI) for operation of the Shoreway Center, as of January 1, 2024. The proposed rates result from the weekly recycling, organic materials and solid waste collection services and Shoreway operations provided by RSMC and SBI, contractual compensation adjustments, and migration to smaller containers.

The collection services include the convenient weekly collection, rather than bi-weekly collection, of single stream recycling, organic materials (yard trimmings and food scraps) and solid waste. The Shoreway facility has also undergone substantial capital improvements to construct a new Materials Recovery Facility (MRF) and an expanded Transfer Station. These improvements facilitate single stream (mixed) recycling, enhance onsite public recycling activities, and improve traffic circulation at the Shoreway Facility.

The District is in the seventh year of a multi-year pricing restructuring plan, so that a transition is made whereby the smaller cans will support their own cost of collection and disposal.

The West Bay Sanitary District hereby gives notice of a public hearing to be held at its Board meeting on December 13, 2023, at 7:00 p.m. in the District's "Ronald W. Shepherd" Administration Building located at 500 Laurel Street, Menlo Park, CA or by Zoom or telephone <https://us06web.zoom.us/j/86725615742?pwd=8VwBabZqwsDIlvBwmQKyBw0bVcP72b.1> Meeting ID: 867 2561 5742 Passcode: 183235

At this hearing, the Board of Directors will consider public comment as well as written protests by ratepayers regarding the proposed increase in monthly collection rates. If written protests are presented by a majority of the affected ratepayers prior to the close of the public hearing, the Board of Directors will not increase the rates as a matter of State law, however levels of service may be impacted.
